Amendment 8

Florida's Religious Freedom Amendment

Do not be fooled. This amendment **DOES NOT** protect religious freedom. It would allow your tax dollars to go to religious organizations and churches, even those you may oppose.

What happens if I vote "YES"? You will be changing Florida's state constitution to allow your tax dollars to go to support churches and religious schools. Yes, even ones you don't agree with and would never voluntarily support.

What happens if I vote "NO"? You will be protecting separation of church and state in Florida by keeping in place the state constitutional guarantee that your tax dollars will not go to support religion.

"It is error alone which needs the support of government.

Truth can stand by itself."

Thomas Jefferson (Notes on Virginia, 1782)

"It was apostasy that led the early church to seek the aid of the civil government, and this prepared the way for the development of the papacy . . ." – The Great Controversy 443.4 (See Ch. 25 – God's Law Immutable)
